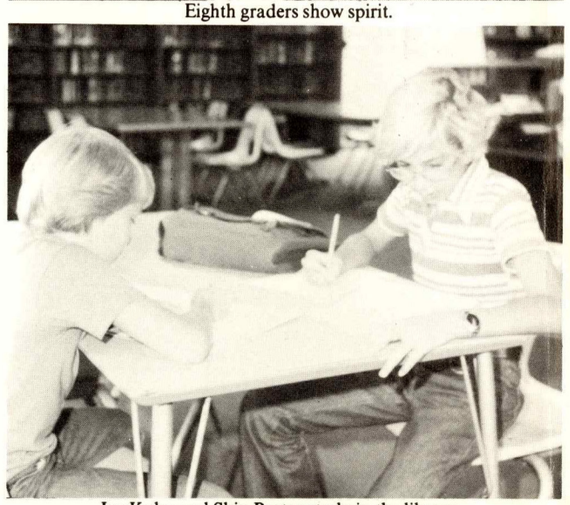
What We Will Remember . . .

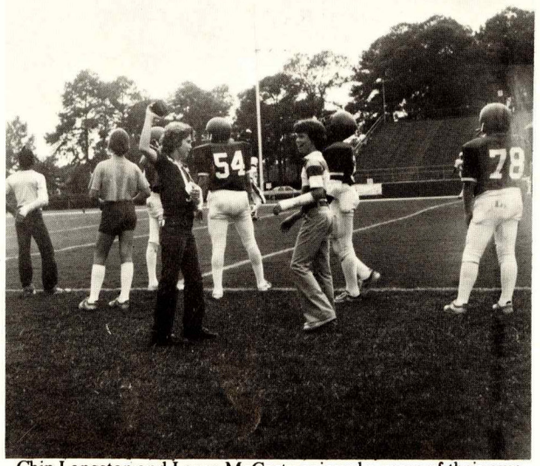
Many students have spent three years at PJHS, others, only a few months. But whatever the case, this year's Panther Paw Staff has tried to capture some of the many memorable events. Sometimes fun, sometimes miserable, the year holds special memories for everyone.

Eighth graders show spirit.

Melanie Everett and Rose Shaver hung artwork on the Art Building.



Joe Kuhn and Skip Portas study in the library.



Chip Langston and Lance McCarty enjoyed a game of their own.

Students looked forward to the weekly pep rallies.

A warm smile, a sweet disposition, an understanding nature, and an unending drive for the betterment of PJHS . . . only four of the many reasons the Panther Paw Staff has dedicated the 1978-79 yearbook to Mrs. Sharon Ladner.

PJHS Faculty and Staff

It is sometimes difficult for a student when seated in a classroom, to think of a teacher as being anything other than a teacher. But the person holding that grade book or writing on the blackboard does have a life outside of school.

Teachers do not wait inpatiently for Monday mornings. If anything they look forward to "TGIF," Thank God it's Friday, with more zeal than the students.

They do not enjoy grading papers, dealing out "F's" or giving students a hard time. Teachers want very much for their students to do well.
